Confirmation of Trioplast Supplier Code of Conduct

This Code of Conduct is an agreement between Trioplast and our suppliers and entrepreneurs. The agreement contains demands regarding child labour, forced labour, human rights, working conditions, working environment, health & safety and environmental conditions. All suppliers or entrepreneurs of Trioplast must accept this Code of Conduct.

- If the subcontractors of Trioplast supplier or entrepreneurs are unable to live up to the code, the supplier is obligated to take action. It is also essential that Trioplast is informed immediately.
- When signing this agreement the supplier allows representatives from, or agents working for, Trioplast to audit the production chain. These visits can be planned or unplanned.
- National and international legislation must be applied at all times.
- If a supplier or entrepreneurs do not follow this Code of Conduct, Trioplast reserves the right to cancel all business relations.

After you have had the chance to review the Trioplast Code of Conduct carefully, we ask you to confirm your acceptance by signing this letter and returning it to:

Trioplast Industrier AB
Mrs. Marianne Nushi
Parkgatan 10
Box 143
SE-333 23 Smålandsstenar, Sweden

By returning the signed letter, you confirm that the Trioplast Supplier Code of Conduct December 2014 from now on will form part of all existing and future agreements between Trioplast and your company. You also confirm that your operations are full compliance with the Trioplast Supplier Code of Conduct requirements. Your management systems ensure that you comply with the Trioplast Code of Conduct as well as other relevant and applicable laws and regulations, and that your organization strives to maintain the highest ethical standards in all aspects of your operations and interactions with customers, suppliers and stakeholders.
