

Material Safety Data Sheet (MSDS)

- A Material Safety Data Sheet is a document from a supplier, which describes the material data of a material.
- All material handled by Trioplast shall have a MSDS.
- Trioplast uses the MSDS for a first evaluation of the material.
- The MSDS should be in accordance with current EU legislation ([REACH](#), 16 points & [CLP](#))
- The MSDS shall be sent in the local language. *If the MSDS isn't available in the local language, Trioplast will translate and charge the supplier.*
