

Climate Protection Certificate

TRIOPLAST GmbH

makes a significant contribution to the climate protection through the participation in ERDE and the successful collection and recycling of silage films from 2014 till 2019.

By consigning this material to recycling **73.983.000 kg greenhouse gas** was reduced in absolute terms.

This corresponds to the CO₂ emissions which **5.332.101 trees** in Europe bind every year.

On behalf of the climate and the environment we say

„Thank you“.
